

JULIET CULLINAN  
STANDARD BANK WINE FESTIVAL  
JOHANNESBURG

22 - 23 JULY 2009  
FROM 17H30 TO 21H00  
THE WANDERER'S CLUB  
21 NORTH STREET ILLOVO

## JULIET CULLINAN WINES

Juliet Cullinan has worked in wine locally and internationally since 1982. She hosts national Wine Festivals and Wine Awards in South Africa and wine tastings internationally. She is a freelance lifestyle journalist.

**Juliet Cullinan Standard Bank Wine Festival**, now in its 19th year, showcases some of the finest boutique wineries in the country. Exhibitors are invited and their number limited to allow the expression of boutique wineries with terroir-driven wines. The show introduces wine tasters to cellar masters in a small, intimate setting conducive to networking, building friendships and mingling with wine lovers.

**The Juliet Cullinan Wine Connoisseur's Awards**, established in 2000, evaluates and highlights the leaders of each Cape vintage. The Vineyard Hotel in Newlands will be hosting the 2009 Awards Judging on the 18 and 19 November. The media and public tasting will be held on the 20 November.

The wines will be tasted blind and judged by a tasting panel of local Cape Wine Masters, winemakers, wine trade and wine journalists. The judging is monitored by KPMG.

A select group of Sommeliers and press from Monaco and Paris have been invited to judge. They will also enjoy the hospitality of icon wineries and restaurants in Cape Town.

For the second year, **Makro** is proud to be the chosen retail associate at the Juliet Cullinan Standard Bank Wine Festival. Visitors at the Festival can place orders at the "SIP & SHOP" which can be collected or delivered within 21 working days. These fantastic show prices will only be available for a minimum order of 6 bottles of any wine on the night.

For the third year, **Pick n Pay** will be sponsoring the Juliet Cullinan Wine Festival by providing a delectable smorgasbord of local and imported cheeses, cold meats, dips, mezze, soups and chocolates.

**Bené Mineral Water** have generously donated the mineral water and **Pyotts** the cream crackers.

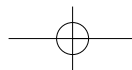

**British Airways** is the airline of choice for all Juliet Cullinan wine events. Juliet Cullinan customers enjoy special rates on British Airways to attend the Johannesburg Wine Festival, Wine Tastings in France and the French Sommeliers visit to Cape Town.

Juliet Cullinan will be unveiling the uniqueness of **The Best of South African Wines** at tastings in Paris, Monaco and Toulouse in November. These will include three wine tastings for trade and private customers at the South African Ambassador Konji Sabati's residence in **Paris**; a mini wine festival with food and wine pairing lunches/dinners at The Columbus Hotel in **Monaco** (belongs to racing driver David Coulthard); and a tasting prior to the South African vs French Rugby Match in **Toulouse**. These events have been arranged in association with David Cobbold, author, journalist, and wine educator, who is based in France.

Juliet Cullinan will host wine tastings aboard luxury yachts in association with luxury cars and chartered jets in Monaco and Cannes.

Wine tasters use strings of adjectives to describe wines. Tasting notes can be simplified with these graphic pictures I have created. They are immediately recognisable, easy to draw and remember.

Finesse	Acidity	Over the Top
Weight/Depth	Tannic	Will Improve
Complexity	Grip	To Drink
Richness	Glorious	Easy Drinking
Depth	Oaky	Aromatic Experience
Harmony	At its Peak	Pongy
Length	To Keep	No Go
